

## Acknowledgements

This report could not have been prepared without the invaluable contribution of a number of individuals and organisations. Special mention must be made of Mr. Daouda Toure, the UN Resident Coordinator and the Resident Representative of the UNDP, for his continuous guidance and advice. The authors wish to express their gratitude to Mr. Emmanuel Otoo, the Coordinator of the NHDR, for the provision of logistical support and helpful comments. We thank all of those involved directly or indirectly in providing inputs for this report. Drawn from the UNDP, other institutions within the UN system and from Ghana, they contributed their time, skills and ideas.

Errors of commission and omission are the sole responsibility of the authors.
